<p><b><u>Accountable Officer Report July 2018</u></b></p> <p>My last report was only two weeks ago at our last governing body meeting on 27<sup>th</sup> June 2018; therefore this is a brief update. I am continuing to settle into my role(s) as Clinical Chief Officer for East Berkshire and Surrey Heath CCGs. With the continuing warm weather we had a lovely treat with all the CCG staff enjoying an ice cream at King Edward VII Hospital, however, each member of staff had to tell me something about themselves before they were given their ice cream. It was really enjoyable and I learnt a lot about our amazing staff.</p> <p>I am also continuing to meet with our external partners and getting to know the organisation. My top priorities are helping to shape the Frimley Health and Care System, delivering integrated care and transforming general practice. I would like to update the Governing Body with an update of the Integrated Care Service at this meeting.</p>
