Item No	Item	Action
1	Welcome, Introductions, Apologies and Confirmation of Quoracy	
	<p>The Chair (CB) apologised for the delayed start and welcomed all committee members.</p> <p>Although the meeting was in Private, two members of the public were present. The Chair invited them to stay for Part A but noted that it is essential that the meeting dates on the website must state whether the meetings are 'In Public' or 'In Private'.</p> <p>Action: Amend and maintain website details declaring if meetings are held 'In Private' or 'In Public'</p> <p>The meeting was declared quorate.</p> <p>Apologies were received as above and it was noted that Arthur Ferry and Jim O'Donnell will be arriving late to the meeting with Priya Kumar deputizing for Jim O'Donnell.</p>	DM

2	Conflicts of Interest/Declarations of interest	
	<p>The potential conflicts of interest for today's meeting included:</p> <ul style="list-style-type: none"> • This is the first meeting attended by WT who is a retired (2017) local GP. – • JMcG - Clinical Chair, B&A is a member of Berkshire Primary Care 	
3	Notice of Any Other Business	
	None.	
4a	Minutes if the Last Meeting held in July 2018	
	Minutes for July's Meeting were approved.	
4b	PCCC Action & Decision Log	
3	<p>Item is still open – required capacity/availability of attendance to resolve. Item to be marked up ready for the PCCC meeting to be held in January 2019. Action: Item 3 on action log to be prepared for January 2019 meeting.</p> <p>Corporate Services will type the minutes with acronyms typed in full. Action No.9: RAG to be set to green and closed</p>	<p>AT</p> <p>DM</p>
5	General Practice Transformation and Commissioning: Primary Care Operational Group (PCOG) & 2018 Highlight Report	
	<p>AT explained the basis of the report and talked through various themes within it and about the opportunities to support the practices within our area; there is still a lot of background work still going on and some services still to be put in place. There had been some technical issues with the Docman 7 system which is being investigated but will be moving to a new service.</p> <p>The Highlight report is still showing some RAG red items but this is due to the confirmation of funding decisions.</p> <p>Any notification of contract changes will be recorded on the register.</p> <p>IMT group had not met during the summer but there will be a report for the next PCCC Committee meeting in November.</p> <p>Q: <u>Practice Mergers</u></p> <p>Boundary House Surgery and Forest Health Surgery have recently merged however, this has led to confusion amongst some of the patients as details of this have not been fully disseminated; there are however, details of the merger on the website.</p> <p>Action: Surgery to follow this up – Patients need to be made aware of the correct contact numbers and website details.</p> <p>Service needs/good news items – how will these be communicated to the practices, Waiting for final pricing but there is money committed for this.</p>	<p>Forest Health Surgery</p>
6	Primary Care Finance Report Month 4	

	<p>The forecast show little variance.</p> <p>Noted an under spend on general practice IT due to the release of prior year accruals.</p> <p>Year to Date (YTD) Quality Outcomes Framework (QOF) pay = £125k overspend</p> <p>Quarter 1: Month 4 will be reviewed at Month 5.</p> <p>£2.9m reserves to end of July</p> <p>It was suggested that the additional funds should be drawn down to spend on Primary Care; the outstanding finance required by Frimley for Bracknell should come from other NHS sources.</p> <p>Finance are working towards financial balance – a concern was raised about a ‘raid’ on GP’s budgets and that funding should not be reallocated from here as this could potentially destabilise the system if the practices are not protected.</p> <p>PCT talked about ICS systems investment and being conscious about the source of funding; business cases coming in during the next few months would draw off some of the available funds. ICS systems meeting due in October, Primary Care Team committed to making the right investment.</p> <p>The Chair said that we should communicate and make people aware that this year there would be large scale investment in Primary Care.</p>	
7	Estates Report Month 4	
	<p>Application to Estates and Technology Transformation Fund (ETTF), put forward by NHS England to apply for available allocations for Binfield. Fiona Slevin-Brown steered throughout for the criteria and outcomes, although a little more work is still to be done, the application has been submitted and now requesting that the committee support the decision. Emails were sent from the Chair to use the ‘Pink Route’ for decision making outside of the meeting. As there were no objections received by the Chair, the item has been ratified.</p> <p>Planning for Heatherwood Hospital and BEN Lynwood are both supported practices working on future models. There are technical issues on formal planning but confident that this is the biggest risk service beyond Bucks for planning.</p> <p>Britwell, The Avenue, has been escalated up the Estates systems to have capital investment; we would expect to wait for the scheme to be approved but it is the right criteria for an NHS England investment.</p> <p>All applications will be made through the usual routes and any additional business cases should be submitted to NHS England by November.</p> <p>The Chair noted that as this was the first of this type extra effort should be made to ensure that the process is well documented, thoroughly checked through and clarify transparency and fairness.</p>	
8	Any Other Business	
	<p>Covered earlier in the meeting – no further business to be discussed.</p> <p><u>Additional Meeting Notes</u></p> <p>Action - The Chair noted that the minutes of the IM&T Committee Meeting would be useful, this would make clear which items need to be brought to the attention of the PCCC attendees. Meeting notes could have, for example, ‘Highlight to PCCC’.</p>	<p>DM to inform Chair of IM&T Committee</p>

	Action: Check that the website has new dates and times following the decision by Corporate Services to move the meeting day from Wednesdays to Tuesdays.	DM to inform Comms
	Meeting closed at 12.45pm	

**Date of Next Meeting:
Tuesday 13th November 2018
Meeting In Public
12.00 – 13.30
Eton Suite – Copthorne Hotel, Slough SL1 2YE**
