 - PCNs docking point for Health and Local government

Milestone	Date
Interim People Plan published	3 June 2019
Publication of the Long Term Plan Implementation Framework	June 2019
Main technical and supporting guidance issued	July 2019
Initial system planning submission	End of September 2019
System plans agreed with system leads and regional teams	Mid November 2019
Further operational and technical guidance issued	December 2019
Publication of the national implementation programme for the Long Term Plan	December 2019
First submission of draft operational plans	Early February 2020
Final submission of operational plans	By end March 2020

Long Term Plan needs to be:

- Clinically-led
- Locally owned
- Based on realistic workforce planning
- Financially balanced and delivering financial recovery
- Delivering all the commitments within the Long Term plan
- Phased over the full five years reflecting local priorities and different starting points
- Reducing local health inequalities and unwarranted variation.
