						<p>We have now received some individual practice lease information (submitted with the healthcheck tool-kit). This information has been logged and all practices with short leases will be contacted and lease discussions commenced. Where practices have not shared this information the PC Project Support Officer will follow it up.</p> <p>This will give us a clearer picture of the lease situation for all practices across East Berkshire so that we can continue to monitor individual situations and action in a timely manner.</p>
