

WANT TO KNOW MORE ABOUT HEALTHMAKERS?

Come along to one of our Pop In Cafés...

HealthMakers Pop In Cafés are a safe space to have a cuppa, a chat and be supported by others in the HealthMakers community. It is especially for people with health issues and provides a great way to meet other like-minded individuals who have already attended a HealthMakers Self-Management course, or just want to find out more about what we do, and how we can help.

Whatever your reason, we'll provide the tea & coffee and you provide the conversation. Have a natter, ask questions, sit and listen, it's entirely up to you.
